Have I taken THAT step before??? In the last couple of days I have past a Whistler AND a Pleasant Grove!!!, What's up with that!?!?!? Late start today due to Jeep battery issues AND it just when it seemed the problem was solved IT shows up AGAIN!!! Ahhhhhhhhhhhhhhhhhhhhh Groundhog Day all over again!!! Sunday will be a quickie (10-15 miles ONLY) as there is a football game in the afternoon, GO 9'ers!!! Thanks, Bimbo, for the followup call. Yes, the rural folks seem to spend a good deal of time givings others a hand, including strangers. Continued success with the restaurant, the food was GREAT, the chicken OUTSTANDING and the conversation delightful (of course we agreed on EVERYTHING!!!)...more to come The Walker is sleepy!!!

A special THANK YOU!!! goes to Jackie C. for his contribution to Camp UTADA as well as that of Alex. Your support is appreciated and know that you will have made a difference in a child's live.

When the day was over we had walked 20.6 miles (33.2258 km's), taken 40,316 steps and found one penny along with Wlhelmina W.'s employee badge with the Alabama Department of Transportation. Cheers!!!
