I will finish this up Monday...half day today, Monday will be moving day...14.3 miles...go 49'ers!!!

Perhaps I will chip away over time.

The findings for the day: 1 package of 4" zip ties (of the original 50, 14 remaining) and 3 pennies. A special shout out to the folks at the Mackey Branch Baptist Church #2 for the pleasant conversation and the contributions. Camp UTADA will put the funds to good use. I bless you for your generosity.

When the day was over (early on account of they Phoenix Open AND the Super Bowl) we had logged 14.3 miles (23.0645 km's), taken 28,059 steps and found \$0.03. Other than the three pennies no other items were found. Cheers!!!
