Today we did 26 miles (41.9355 km's) using 50,610 and collecting \$0.10 off the roads. Findings for the day: 1 nickel and 5 pennies. Wildlife sightings: 1 large owl and 1 small owl. In Andalusia we left route 84 and hit route 55 south. When the day was over we made it all the way to mile post 18. Saturday we should cross into Florida. A very special shout out to Robbie Ballard of Cooper Tires and Debra Bennett who both made contributions to Camp UTADA. Dr. Okubo and the staff will find a good use for the funds. A special thank you goes out to Byron and Rhonda Bratley, in whose honor I walked today. They are both veterans of the Gulf War. See ya'll down the road...cheers!!!
