When the day was over we had covered 23.1 miles (37.2581 km's) under 44,469 steps and picked up \$0.03 from the road. Findings for the day: 1 5/8" socket, 1 9/16" socket and 3 pennies. We went from Paxton, Florida down route 331. In De Funiak Springs we did an east turn onto route 90 which will be our home until we get to Tallahassee.

Sunday was a day off where we watched it rain, and rain, and rain, and rain, and rain. After the rain stopped it then rained some more. Motor home still leaks, guess it is time for some legal action. Remember, trust BUT verify!!! Monday we moved, in the rain, from Evergreen, Alabama to Bonifay, Florida. Prices as well as temperatures seem to be increasing as we head south. Ozark, MO gas was \$2.94, today we filled up at \$3.54. See ya'll down the road...cheers!!!
