

Walking Day #161...Wednesday, February 20, 2013...back on the road...new time zone

Sunday was my day of rest. Monday was supposed to be a moving day, but it became an extension of Sunday with Tuesday being the moving day. When Tuesday was over we had landed in Lamont, Florida at the Stone's Throw RV Park. A pleasant little park with the soothing sounds of I-10 to send us off to sleep each night.

Wednesday saw a wee bit of chill in the air that lasted about an hour into The Walk. When we were done this evening we stopped just shy of Midway with 25.7 miles (41.4516 km's) using 51,807 steps and picking up \$0.33 2/3. The coins consisted of 1 dime, 3 nickels and 8 2/3 pennies. Chinese take-out for dinner, a shower and a quick hit on the computer and now off to dream land. See ya'll down the road. Cheers!!!
