

## Farewell Carla...you may be gone but you shall NOT be forgotten!!!

Posted on Feb 21, Posted by [Administrator](#) Category [The Walk Blog](#)

Today Carla Peterson Hennessy passed away after a valiant fight with cancer. She leaves behind her husband Jeff and two daughters. I have known Carla and Jeff for just shy of 20 years. As individuals they are phenomenal, as a couple they were phenomenal on steroids!!! Jeff my heart aches for you and your children. I wish you all the best as you come to grips with this painful transition.
