Well Friday I got in 18.5 to 26 even today!!!...it is amazing how going downhill goes faster than uphill!!!...Friday I did see a mother bear and her two brand new cubs making sure that I kept the eejit tourists between me and the bears, I don't have to outrun the bear JUST the tourists!!!...today I was reading a sign (surprise!!!) about bears and out of the corner of my right eye I caught movement, JUST as I uttered some conjugated profanities a bear looked at me, I looked and him and we BOTH run like scalded cats in opposing directions!!!...smart walker, smart bear!!!...Sunday is moving day to Princeton after several errands get run in Chilliwack...as "they" used to say on the Tonight Show "more to come" I'm gonna finish up the laundry, shower and go to bed!!!...cheers
