just a short day today...14.4 miles in 23,920 steps...found 1 penny, 1 Canadian Tire ten cent coupon and a five cent coupon...saw 1 deer...stopped in Fernie at the chamber of commerce visitor info center and to use their Wi-Fi as the RV park has none...should be at Roxy's (Hearts Haven Ranch) in Raymond, Alberta by the 10th or 11th...Monday will be moving day, my next project is to find a location, looks like it will be Alberta...cheers
