today saw a wee bit of a weather delay with 20.8 miles using 39,0303 steps...the loot for the day: 1 set of Suzuki keys, 1 pair of eyeglasses and the top half of a Taylormade, Burner, 48 inch Superfast, stiff flex, the person who obviously could not hit the club so he tossed it out a window, now considering I found it in a spot where the nearest golf course is twenty miles away, what was this guy thinking!?!?!?...golf is all about immediate gratification, if your gonna bust a club do it on the course NOT twenty miles away!!!...punish the club BUT do it when the offense occurred NOT an hour or so later!!!...a very special thanks go out to the woman and her son who came up to me as the walk was ending and handed me a \$10 bill, thanks "guys" for your thanks!!!, dance with your heart and please enjoy the Pow-Wow...cheers!!!
