

Walking day #62, Saturday, September 29, 2012...almost to Hardin

Posted on Oct 02, Posted by [Administrator](#) Category [The Walk Blog](#)

the folks at South Pryor Cattle Company were nice enough to let me park the motor home at their machine shop so we moved Saturday morning...we put in 21.2 miles with 39,962 steps, no trash picked up, finished about six miles shy of Hardin, went back, picked up the motor home and parked...for the week we did 97.7 miles with 184,074 steps, bringing excursion to date numbers of: 1287.9 miles (2077.3 km's) using 2,425,977 steps
