

## new "official" date

Posted on Jun 02, Posted by [Administrator](#) Category [The Beginning](#)

At this point it looks like Monday the 4th in the afternoon (Pacific time) will be the official first step...it happens to be my eldest grandson's (Chance) 16th birthday...I will find a suitable spot in Whistler for the kick-off (step-off)...stay tuned and I am sure a clip will find its way to YouTube...love 'n kisses to all
