new "official" date

Posted on Jun 02, Posted by Administrator Category The Beginning

At this point it looks like Monday the 4th in the afternoon (Pacific time) will be the official first step...it happens to be my eldest grandson's (Chance) 16th birthday...I will find a suitable spot in Whistler for the kick-off (step-off)...stay tuned and I am sure a clip will find its way to YouTube...love 'n kisses to all
