23 miles today using 43,158 steps...findings for the day: 1 Bostich number 20 hammer, 1 bag of gold star shaped confetti, 1 wrist watch of unknown brand, 1 thin dime and 1 penny...wildlife sitings: 2 hawks (species unknown to me), lots of deer, several prairie dogs, several wild turkeys and a couple of bunnies...the slide seal issue may very well get resolved on Monday which will mean a trip back to Rapid City, oh when we can get laundry done and get groceries...I guess my next project will be to identify the raptors in South Dakota so I will know what majestic birds I keep seeing...right now an ice pack on my left knee and a good night's sleep...cheers!!!
