nice day today...sunny but WINDY!!!...22.7 miles with 42,517...findings for the day: 1 quarter, 1 dime, 1 penny, 1 "Rock Flight" golf ball and one set of keys that looks like a safe deposit box...very Very VERY windy today, fortunately it was a tail-wind for the most part...thanks to the two guys who stopped me in mission and gave me a bottle of water...thanks to Felix Hairy Shirt a former ranger for your service...thanks to Dixie Larvie for stopping to share your story of living with type 1 diabetes for 42 years, go for another 42!!!...we stopped just a few miles short of the Nebraska state line, tomorrow we should walk into Nebraska and through Valentine...weather reports indicate cold weather this weekend (like it has been warm!?!?!?)...now just watching the election results to see who I get to bitch about for the next four years!!!...tired so I will hit the shower and finish up tomorrow...cheers!!!
